

The Plantation Acres Women's Club is continuing to look towards our community for the support of our-

Final Pillars and Walls Project on Sunrise Blvd. and 118th Ave (Southeast corner).

We need everyone in the area to purchase bricks. Many thanks to those of you who have already helped our dream become a reality. You can see our magnificent brick walls on three corners of 118th Street and Broward and at Sunrise and 118th Street corner of Volunteer Park. Complete with stately coach lighting, beautiful engraving on a granite facade and tasteful landscaping, these pillars and walls make a proud and elegant statement about the lovely neighborhoods where we reside. For those of you, who have not contributed, please do so now. These bricks can be a wonderful way to acknowledge a special occasion, give a gift, commemorate an anniversary, birthday, or memorialize a loved one.

TO PURCHASE A BRICK: \$75 per brick

We will engrave your name or message into your bricks. Each brick will accommodate printing lip up to two lines, twenty characters per line.
